

Drawing

	Nursery	Reception Marvellous Marks	Year 1 Make Your Mark	Year 2 Tell a Story	Year 3 Growing Artists	Year 4 Power Prints	Year 5 I Need Space	Year 6 Make my Voice Heard
Generating ideas	Talk about their ideas and explore different ways to record them.	Talk about their ideas and explore different ways to record them.	Explore their own ideas using a range of media.	Begin to generate ideas from a wider range of stimuli, exploring different media and techniques	Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.	Generate ideas from a range of stimuli, using research and evaluation of techniques to develop their ideas and plan more purposefully for an outcome.	Develop ideas more independently from their own research. Explore and record their plans, ideas and evaluations to develop their ideas towards an outcome.	Draw upon their experience of creative work and their research to develop their own starting points for creative outcomes.
Sketchbooks	Experiment with mark making in an exploratory way.	Experiment with mark making in an exploratory way.	Use sketchbooks to explore ideas in an open-ended way.	Experiment in sketchbooks, using drawing to record ideas. Use sketchbooks to help make decisions about what to try out next	Use sketchbooks for a wider range of purposes, for example recording things using drawing and annotations, planning and taking next steps in a making process.	Use sketchbooks purposefully to improve understanding, develop ideas and plan for an outcome.	Confidently use sketchbooks for purposes including recording observations and research, testing materials and working towards an outcome more independently.	Using a systematic and independent approach, research, test and develop ideas and plans using sketchbooks.
making skills (including Formal elements)	Use a range of drawing materials such as pencils, chalk, felt tips and wax crayons. Work on a range of materials of different textures (eg. playground, bark).	Use a range of drawing materials such as pencils, chalk, felt tips and wax crayons. Work on a range of materials of different textures (eg. playground, bark).	Use a range of drawing materials such as pencils, chalk, charcoal, pastels, felt tips and pens. Develop observational skills to look closely and reflect surface	Further develop mark-making within a greater range of media, demonstrating increased control. Develop observational skills to look closely and reflect surface texture	Confidently use of a range of materials, selecting and using these appropriately with more independence. Draw with expression and begin to	Apply observational skills, showing a greater awareness of composition and demonstrating the beginnings of an individual style. Use growing knowledge of	To use a broader range of stimulus to draw from, such as architecture, culture and photography. Begin to develop drawn ideas as part of an exploratory	Draw expressively in their own personal style and in response to their choice of stimulus, showing the ability to develop a drawing independently. Apply new drawing

	Begin to develop observational skills by using mirrors to include the main features of faces in their drawings.	Begin to develop observational skills by using mirrors to include the main features of faces in their drawings.	texture through mark-making. To explore mark making using a range of tools; being able to create a diverse and purposeful range of marks through experimentation building skills and vocabulary.	through mark-making. Experiment with drawing on different surfaces, and begin to explore tone using a variety of pencil grade (HB, 2B, 4B) to show form, drawing light/dark lines, patterns and shapes.	experiment with gestural and quick sketching. Developing drawing through further direct observation, using tonal shading and starting to apply an understanding of shape to communicate form and proportion.	different drawing materials, combining media for effect. Demonstrate greater control over drawing tools to show awareness of proportion and continuing to develop use of tone and more intricate mark making.	journey. Apply known techniques with a range of media, selecting these independently in response to a stimulus. Draw in a more sustained way, revisiting a drawing over time and applying their understanding of tone, texture, line, colour and form.	techniques to improve their mastery of materials and techniques Push the boundaries of mark-making to explore new surfaces, e.g. drawing on clay, layering media and incorporating digital drawing techniques.
Knowledge of artists	Enjoy looking at and talking about art.	Enjoy looking at and talking about art.	Describe similarities and differences between practices in Art and design, eg between painting and sculpture, and link these to their own work.	Talk about art they have seen using some appropriate subject vocabulary. Be able to make links between pieces of art.	Use subject vocabulary to describe and compare creative works. Use own experiences to explain how art works may have been made	Use subject vocabulary confidently to describe and compare creative works. Use own experiences of techniques and making processes to explain how art works may have been made.	Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.	Describe, interpret and evaluate the work, ideas and processes used by artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.
Evaluating and analysing	Talk about their artwork, stating what they feel they did well.	Talk about their artwork, stating what they feel they did well.	Describe and compare features of their own and other's art work.	Explain their ideas and opinions about their own and other's art work, giving reasons.	Confidently explain their ideas and opinions about their own and other's art work, giving reasons.	Build a more complex vocabulary when discussing their own and others' art. Evaluate their work more	Discuss the processes used by themselves and by other artists, and describe the particular outcome achieved.	Give reasoned evaluations of their own and others work which takes account of context and intention.

				Begin to talk about how they could improve their own work.	Use sketchbooks as part of the problem-solving process and make changes to improve their work	regularly and independently during the planning and making process.	Use knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.	Independently use knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.

Formal Elements

	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Colour	N/A	N/A	<p>Know that the primary colours are red, yellow and blue. Know that primary colours can be mixed to make secondary colours:</p> <ul style="list-style-type: none"> ● Red + yellow = orange ● Yellow + blue = green 	<p>Know that different amounts of paint and water can be used to mix hues of secondary colours. Know that colours can be mixed to 'match' real life objects or to create things from your imagination</p>	<p>Know that using light and dark colours next to each other creates contrast. Know that paint colours can be mixed using natural substances, and that prehistoric peoples used these paints.</p>	<p>To know that adding black to a colour creates a shade. To know that adding white to a colour creates a tint.</p>	<p>To know that artists use colour to create an atmosphere or to represent feelings in an artwork, for example by using warm or cool colours.</p>	<p>To know that a 'monochromatic' artwork uses tints and shades of just one colour. To know that colours can be symbolic and have meanings that vary according to your culture or background, eg red for danger or for celebration.</p>

			<ul style="list-style-type: none"> Blue + red = purple 	Know that colour can be used to show how it feels to be in a particular place, eg the seaside				
Form	N/A	N/A	Know that we can change paper from 2D to 3D by folding, rolling and scrunching it. To know that three dimensional art is called sculpture	Know that 'composition' means how things are arranged on the page. Know that pieces of clay can be joined using the 'scratch and slip' technique. Know that a clay surface can be decorated by pressing into it or by joining pieces on.	To know that three dimensional forms are either organic (natural) or geometric (mathematical shapes, like a cube). To know that organic forms can be abstract.	To know that using lighter and darker tints and shades of a colour can create a 3D effect. Know that simple 3D forms can be made by creating layers, by folding and rolling materials.	To know that an art installation is often a room or environment in which the viewer 'experiences' the art all around them. To know that the size and scale of three-dimensional art work changes the effect of the piece.	To know that the surface textures created by different materials can help suggest form in two-dimensional art work.
Shape	N/A	N/A	Know a range of 2D shapes and confidently draw these. Know that paper can be shaped by	Know that collage materials can be shaped to represent shapes in an image. Know that shapes can	To know that negative shapes show the space around and between objects.	To know how to use basic shapes to form more complex shapes and patterns.	To know that a silhouette is a shape filled with a solid flat colour that represents an object.	To know how an understanding of shape and space can support creating effective composition.

			cutting and folding it	be organic (natural) and irregular. Know that shapes can be geometric if they have mostly straight lines and angles. Know that patterns can be made using shapes.				
Line	N/A	N/A	Know that drawing tools can be used in a variety of ways to create different lines. Know that lines can represent movement in drawings.	Know that lines can be used to fill shapes, to make outlines and to add detail or pattern	To know that different drawing tools can create different types of lines.	To know that lines can be lighter or darker, or thicker or thinner and that this can add expression or movement to a drawing.	To know that lines can be used by artists to control what the viewer looks at within a composition, eg by using diagonal lines to draw your eye into the centre of a drawing.	To know how line is used beyond drawing and can be applied to other art forms.
Pattern	N/A	N/A	Know that a pattern is a design in which shapes, colours or lines are repeated.	Know that surface rubbings can be used to add or make patterns. Know that drawing techniques such	To know that pattern can be man-made (like a printed wallpaper) or natural (like a giraffe's skin).	To know that symmetry can be used to create repeating patterns. To know that patterns can be	To know that artists create pattern to add expressive detail to art works, for example Chila	To know that pattern can be created in many different ways, eg in the rhythm of brushstrokes in a painting (like

				as hatching, scribbling, stippling, and blending can make patterns. Know that patterns can be used to add detail to an artwork.	To know that the starting point for a repeating pattern is called a motif, and a motif can be arranged in different ways to make varied patterns.	irregular, and change in ways you wouldn't expect.	Kumari Singh Burman using small everyday objects to add detail to sculptures.	the work of van Gogh) or in repeated shapes within a composition
Texture	N/A	N/A	Know that texture means 'what something feels like' Know that different marks can be used to represent the textures of objects Know that different drawing tools make different marks.	Know that collage materials can be chosen to represent real-life textures. Know that collage materials can be overlapped and overlaid to add texture. Know that drawing techniques such as hatching, scribbling, stippling, and blending can create surface texture.	To know that texture in an artwork can be real (what the surface actually feels like) or a surface can be made to appear textured, as in a drawing using shading to recreate a fluffy object.	To know how to use texture more purposely to achieve a specific effect or to replicate a natural surface.	To know how to create texture on different materials.	To know that applying thick layers of paint to a surface is called impasto, and is used by artists such as Claude Monet to describe texture.
Tone	N/A	N/A	Know that 'tone' in art	Know that shading helps	To know some basic rules for	To know that using lighter and	To know that tone can help	To know that chiaroscuro

			means 'light and dark'. Know that we can add tone to a drawing by shading and filling a shape.	make drawn objects look more three dimensional. Know that different pencil grades make different tones.	shading when drawing, eg shade in one direction, blending tones smoothly and with no gaps. To know that shading is used to create different tones in an artwork and can include hatching, cross-hatching, scribbling and stippling	darker tints and shades of a colour can create a 3D effect. To know that tone can be used to create contrast in an artwork.	show the foreground and background in an artwork.	means 'light and dark' and is a term used to describe high-contrast images.
