SCHOOL NEWSLETTER 5.12.25

Dear parents and carers, Thank you to all the pupils and parents who participated in our POLAR EXPRESS DAY AND CHRISTMAS MARKET, it is a wonderful St. Alban's event that we all look forward to each year! We were so proud of our choir, who on Monday sang 'Love Shone Down' at St. Bartholomew's The Great in aid of Action for Syria. They performed amongst accomplished actors and musicians and received an amazing round of applause!

We have dealt with several incidents in school recently involving children repeating online trends in school. This has caused upset to other children and staff. We must stress to parents that this will not be tolerated in school. As a result of this, we have updated our school anti-bullying policy which can be found on the school website. Thank you for your support with this.

Right's Respecting School Article of the Week!

On 3 December we celebrate International Day of People with Disabilities.

This global event promotes equality for people with disability and celebrates their achievements. It has been celebrated every year since 1981.

It is also a day to promote awareness of the challenges faced by over 1 billion people living with disabilities, and the role communities and societies play in breaking down barriers to inclusion.

Article 2 states: The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 23 states: A child with a disability has the right to live a full and decent life with dignity and, as far as possible, independence and to play an active part in the community. Governments must do all they can to support disabled children and their families.

Camden SEND has updated their local offer website so it is easier for parents to navigate.
