SCHOOL NEWSLETTER 12.12.25

Dear parents and carers,

We were so impressed with the musical abilities of our KS2 pupils that were highlighted yesterday in our KS2 Christmas Music Concert. A huge well done to Lis, Murphy, parents and children for all their hard work this term. The KS1 and EYFS pupils have been busy rehearsing the Nativity play, which we are very excited about performing next week. We welcomed moderators from Camden in this week who had fabulous feedback on the teaching and learning in the school and the outcomes of the children. Year 5 finished their DT projects with ShiftED this week. The company were very impressed with their creativity.

Thank you and have a lovely weekend. Rebecca and Jayne

Right's Respecting School Article of the Week!

On 3 December we celebrate International Day of People with Disabilities.

This global event promotes equality for people with disability and celebrates their achievements. It has been celebrated every year since 1981.

It is also a day to promote awareness of the challenges faced by over 1 billion people living with disabilities, and the role communities and societies play in breaking down barriers to inclusion.

Article 2 states: The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

Article 23 states: A child with a disability has the right to live a full and decent life with dignity and, as far as possible, independence and to play an active part in the community. Governments must do all they can to support disabled children and their families.
