## SCHOOL NEWSLETTER 30.01.26

Dear parents and carers,

'St. Alban's Careers Week' is 2nd-6th of February 2026, please look out for trip and photo permissions today as we have many visitors and exciting excursions planned! Year 5 kicked off Careers Week with a trip to Google HQ, they learned all about working for the company and the career pathways to the technological industry. Congratulations to year 3 and 4 for their class collective worship today. You all spoke loudly and clearly, teaching the school about rivers and the water cycle. Friday 6th February is our Y5 Class Collective Worship. We look forward to hearing about all their learning this half term.

Thank you and have a lovely weekend. **Jayne (Head of School) and Rebecca (Executive Headteacher)**

### **Right's Respecting School Article of the Week!**

Many articles are relevant to explore when celebrating LGBT+ History Month but this pack focusses on following:

- **Article 2: (non-discrimination)** The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.
- **Article 13: (freedom of expression)** Every child must be free to express their thoughts and opinions and to access all kinds of information if it is within the law.
- **Article 17 - access to reliable information** Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand. Governments must help protect children from materials that could harm them.

And remember, at the heart of the UN Convention on the Rights of the Child are the values of dignity, equality and non-discrimination.
