We would like to extend a safe and happy EID Mubarak to all those in our school community celebrating today. The pupils had a fantastic sports week with circus skills workshops and Quidditch being the highlights! Thank you to Brian for organising what will now be an annual St. Alban's event. The Freshwater and Whisper Me Happy Theatre companies performed for KS2 this week and left the children with thoughtful reflections. Many pupils have improved in their attendance this half term! LINKED UNCRC ARTICLES

This week's activities link to Articles 24 and 27:

Article 24 (health and health services)

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Article 27 (adequate standard of living)

Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development. Governments must help families who cannot afford to provide this.
