SCHOOL NEWSLETTER 24.04.26

Dear parents and carers,

We are so proud of all the hard work and dedication the year 6 children have shown this week during their mock SATS. We know they are going to be fantastic during SATS week! Year 2 went on a trip to the British Library last week as part of Every Child a Reader by age 7 and met Abiola Bello, author of the Wild Magic series. Parent Learning review meetings are being held next week. This is an opportunity to meet with your child's teacher to discuss their progress so far this year and any next steps for their learning. After half term, we are looking to recruit a second parent governor to join our Full Governing Board. If you would be interested, please contact Hanan at the school office. Have a lovely weekend. **Jayne (Head of School) and Rebecca (Executive Headteacher)**

**Right's Respecting School
Article of the Week!**

Earth Day takes place every year on April 22 to show support for the protection of the environment and our planet.

Since 1970, Earth Day has brought together people, governments and companies from around the world, supporting them to do something positive for the environment.

It promotes the fact that 'change starts with action' and we can all take action and encourage others to take action that positively impacts on the world around us.
