SCHOOL NEWSLETTER 15.05.26

Dear parents and carers,

We are so proud of our year 6 class for their tremendous effort and achievements over the SATS week. They were rewarded with a class party today and a clap as they left for home! Thank you as well to all the parents for your support and getting them into school on time each day this week! Football skills with Jaime was a huge hit on Thursday. The children learned some amazing new tricks which I am hoping to see them practicing in the playground. KS2 thoroughly enjoyed their fencing workshop today. It would be great if they were now inspired to take this up as a sport! Please speak to Brian, if you would like more information on local fencing clubs. Have a lovely weekend.

Jayne (Head of School) and Rebecca (Executive Headteacher)

Mental Health Awareness Week

Mental Health Awareness Week occurs every year in May and is an ideal time for us all to think about mental health, tackle stigma, and discuss how we can create school environments that protect our mental wellbeing.

The week is based around a different theme each year, and previous themes have included nature, kindness, and body image. It is hoped that as many people as possible will have conversations about mental health and the everyday things that can affect it.

Our mental health clearly links to Article 24 of the CRC but, if you think about it, many of the other rights that children and young people are entitled to, also contribute to good mental health. See how many connections you make to different rights in this week's activities.
