SCHOOL NEWSLETTER 22.05.26

Dear parents and carers,

A huge congratulations to John for organising an AMAZING CLAPA bake sale and wear your own clothes day! We will email the grand total raised at the end of the day! On Tuesday, all of the girls in KS2 participated in the 'Young Women in Sports' event at Coram's Fields. Their feedback was very positive and we will be attending again next year! It is a very busy final half term when we come back. Please check the Key Dates for Parents carefully and the weekly newsletter for any additions. The half term break looks fabulous weather wise. A gentle reminder to ensure you child is in everyday and on time! Thank you again for all your support this half term and we wish you a lovely break.

**Right's Respecting School
Article of the Week!**

Mental Health Awareness Week

Mental Health Awareness Week occurs every year in May and is an ideal time for us all to think about mental health, tackle stigma, and discuss how we can create school environments that protect our mental wellbeing.

The week is based around a different theme each year, and previous themes have included nature, kindness, and body image. It is hoped that as many people as possible will have conversations about mental health and the everyday things that can affect it.

Our mental health clearly links to Article 24 of the CRC but, if you think about it, many of the other rights that children and young people are entitled to, also contribute to good mental health. See how many connections you make to different rights in this week's activities.
