SCHOOL NEWSLETTER 26.06.26

Dear parents and carers,

Thank you to all the parents for your support this week as we all tried to keep cool! The children had a wonderful time at school despite the heat! We are looking forward to more seasonable summer temperatures next week and having everyone in to get ready for our University performance on Friday 3rd July at 2:00 pm. We have a busy few weeks ahead so please check the key dates for parents and reach out to the school office if you need any clarification on events. We were delighted with the turn out of our annual summer fair and happy to say we raised an amazing £801! This money supports our school trips and residential which are a key part of school life at St. Alban's. Thank you to everyone who came and supported us.
